

Vince Carney Community Theatre invites you to attend summer workshop!

# JUST TAKE A LOOK!

All of these pictures are of the same actor. His face has changed through the application of theatrical make-up. You too can learn the basic skills of theatrical make-up by attending a workshop on make-up being presented by Vince Carney Community Theatre on July 14 and 15, 2009. Even if you don't want to be an actor, you can use make-up skills to create all kinds of effects for Halloween, costume parties, making films, and just for fun!

The workshop schedule covers two three-hour sessions:

Day 1: Basics. Introduction to products and basic application skills and aging.

Day 2: Fantasy make-up. Try your hand at creating animal faces or work on scars, cuts, and bruises.

Workshop participants are asked to bring a personal free-standing mirror and a box of tissues. All other materials will be provided. The cost of the workshop is \$10. Students in grades 6 - 12 are invited to attend.

The workshop is taught by former RTHS drama coach, Carol Weidmann.

Return the form below to Carol Weidmann, 626 N. 11th St., Rochelle, IL 61068. For more information, call (815) 562-7373 by June 19.
